

# ZKR Comfort

## Code Blue Unit

### Code Blue Unit

The Code Blue Unit is mounted on the wall as needed in the hospital. There are backlit call and code blue buttons on the unit. The call button may be pressed to initiate a nurse call which appears as an alert on the Nurse Control Panel. The code blue button may be pressed to start a Code Blue call. The same button can be configured as an assist call button.

- RJ45 socket allows easy installation.
- ABS / FR raw material is used.
- Continuous LEDs for easy viewing of emergency call and reset buttons
